Scoil Bhríde **Anti-Bullying Policy**

1. In accordance with the requirements of the Education (Welfare) Act 2000 and the code of behaviour guidelines issued by the NEWB, the Board of Management of Scoil Bhríde **has adopted the following anti-bullying policy** within the framework of the school's overall code of behaviour. This policy complies with the requirements of the Anti-Bullying Procedures for Primary and Post-Primary Schools which were published in September 2013.

2. The Board of management recognises the very serious nature of bullying and the negative impact that it can have on the lives of pupils and is therefore fully committed to the following **key principles of best practice** in preventing and tackling bullying behaviour:

(a) A positive school culture and climate which:

- Is welcoming of difference and diversity and is based on inclusivity;
- Encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment; and
- Promotes respectful relationships across the school community;
See Table A (6.1.5.Procedures): Key elements of a positive school culture and climate, and also Appendix 2: Practical tips for building a school culture and climate

(b) Effective leadership

(c) A school-wide approach

(d) A shared understanding of what bullying is and its impact

(e) Implementation of education and prevention strategies (including awareness raising measures) that-

- build empathy, respect and resilience in pupils; and
- explicitly address the issues of cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying;
- effective supervision and monitoring of pupils;

(f) Effective supervision and monitoring of pupils

(g) Supports for staff

(h) Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies); and

(i) On-going evaluation of the effectiveness of the anti-bullying policy.

3. In accordance with the *Anti-Bullying Procedures for Primary and Post-Primary Schools* bullying is defined as follows:

Bullying is unwanted negative behaviour, verbal, psychological or physical conducted, by an individual or group against another person (or persons) and which is repeated over time. ('Remember to be bullying the behaviour must be deliberate, hurtful and repeated over time')

The following types of bullying behaviour are included in the definition of bullying:

- deliberate exclusion, malicious gossip and other forms of relational bullying,
- cyber-bullying and
- Identity - based bullying such as homophobic and transgender bullying, racist bullying, bullying based on a person's membership of the Traveller community and bullying of those with disabilities or special educational needs.

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and should be dealt with, as appropriate, in accordance with the school's code of behaviour.

However, in the context of this policy, placing a once-off offensive or hurtful public message, image or statement on a social network site or other public forum where that message, image or statement can be viewed and/or repeated by other people will be regarded as bullying behaviour.

Negative behaviour that does not meet this definition of bullying will be dealt with in accordance with the school's code of behaviour.

School-Wide Approach

- A school-wide approach to the fostering of respect for all members of the school community.
- The promotion of the value of diversity to address issues of prejudice and stereotyping, and highlight the unacceptability of bullying behaviour.
- The fostering and enhancing of the self-esteem of all our pupils through both curricular and extracurricular activities. Pupils will be provided with opportunities to develop a positive sense of self-worth through formal and informal interactions.
- Whole staff professional development on bullying to ensure that all staff develops an awareness of what bullying is, how it impacts on pupils’ lives and the need to respond to it-prevention and intervention.
- Annual CPD with specific focus on the training of the relevant teacher(s), using the PDST interactive presentation on the Anti-Bullying Procedures for Primary and Post-Primary Schools <http://antibullying.pdst.ie/>
- School wide awareness raising and training on all aspects of bullying, to include pupils, parent(s)/guardian(s) and the wider school community.

- Supervision and monitoring of classrooms, corridors, school grounds, school tours and extra- curricular activities. Non-teaching and ancillary staff will be encouraged to be vigilant and report issues to relevant teachers. Supervision will also apply to monitoring student use of communication technology within the school.
- Development and promotion of an Anti-Bullying code for the school-to be included in student journals and displayed publicly in classrooms and in common areas of the school.
- The school's anti-bullying policy is discussed with pupils and all parent(s)/guardian(s) are given a copy as part of the Code of Behaviour of the school at our information night for new parents before their children start school each year. We will also have our policy available on our school website.
- The implementation of regular whole school awareness measures e.g. a dedicated display in the school on the promotion of friendship and bullying prevention; annual Friendship Week in September and parent(s)/guardian(s) seminars; termly student surveys; regular classroom and whole school assemblies by principal, deputy principal.
- Encourage a culture of telling, with particular emphasis on the importance of bystanders. In that way pupils will gain confidence in 'telling'. This confidence factor is of vital importance. It should be made clear to all pupils that when they report incidents of bullying they are not considered to be telling tales but are behaving responsibly.
- Ensuring that pupils know who to tell and how to tell, e.g.:
 - Direct approach to teacher at an appropriate time, for example after class.
 - Hand note up with homework.
 - Make a phone call to the school or to a trusted teacher in the school.
 - Get a parent(s)/guardian(s) or friend to tell on your behalf.
 - Administer a questionnaire once a term to all pupils in 3rd – 6th classes. e.g 5 questionnaires in a year of Anti-Bullying Campaign.
 - Ensure bystanders understand the importance of telling if they witness or know that the bullying is taking place.
 - Identify clear protocols to encourage parent(s)/guardian(s) to approach the school if they suspect that their child is being bullied. The protocol should be developed in consultation with parents.
 - The development of an Anti-Cyber Bullying Policy and Acceptable Use Policy in the school to include the necessary steps to ensure that the access to technology within the school is strictly monitored, as is the pupils' use of mobile phones. Children and parents made aware of ban of mobile phones.
 - The listing of supports currently being used in the school and the identification of other supports available to the school e.g GLEN www.glen.ie, BeLonGTo www.belongto.org , PDST Anti-Bullying Procedures, Webwise

6. The school's procedures for investigation, follow-up and recording of bullying behaviour and the established intervention strategies used by the school for dealing with cases of bullying behaviour are as follows: (See Section 6.8 of the Anti-Bullying Procedures for primary and Post Primary Schools):

6.8.9 Procedures for Investigating and Dealing with Bullying

The primary aim in investigating and dealing with bullying is to resolve any issues and to restore, as far as is practicable, the relationships of the parties involved (rather than to apportion blame);

The school's procedures must be consistent with the following approach.

Every effort will be made to ensure that all involved (including pupils, parent(s)/guardian(s) understand this approach from the outset.

Reporting Bullying Behaviour:

- Any pupil or parent(s)/guardian(s) may bring a bullying incident to any teacher in the school.
- All reports, including anonymous reports of bullying, will be investigated and dealt with by the relevant teacher.
- Teaching and non-teaching staff such as secretaries, special needs assistants (SNAs), caretakers, cleaners must report any incidents of bullying behaviour witnessed by them, or mentioned to them, to the relevant teacher;

Investigating and Dealing with Incidents: Style of Approach:

- In investigating and dealing with bullying, the (relevant)teacher will exercise his/her professional judgement to determine whether bullying has occurred and how best the situation might be resolved;
- Parent(s)/guardian(s) and pupils are required to co-operate with any investigation and assist the school in resolving any issues and restoring, as far as is practicable, the relationships of the parties involved as quickly as possible;
- Teachers should take a calm, unemotional problem-solving approach.
- Where possible Incidents will be investigated outside the classroom situation to ensure the privacy of all involved;
- All interviews should be conducted with sensitivity and with due regard to the rights of all pupils concerned. Pupils who are not directly involved can also provide very useful information in this way;
- When analysing incidents of bullying behaviour, the relevant teacher should seek answers to questions of what, where, when, who and why. This should be done in a calm manner, setting an example in dealing effectively with a conflict in a non-aggressive manner;
- If a group is involved, each member should be interviewed individually at first. Thereafter, all those involved should be met as a group. At the group meeting, each member should be asked for his/her account of what happened to ensure that everyone is clear about each other's statements.
- Each member of a group should be supported through the possible pressure that may face them from the other members of the group after the interview by the teacher; It may also be appropriate or helpful to ask those involved to write down their account of the incident(s).
- In cases where it has been determined by the relevant teacher that bullying behaviour has occurred, the parent(s)/guardian(s) of the parties involved should be contacted in an early stage to inform them of the matter and explain the actions being taken (by reference to the school policy). The school should give parent(s)/guardian(s) an opportunity of discussing ways in which they can reinforce or support the actions being taken by the school and the supports provided to the pupils;
- Where the relevant teacher has determined that a pupil had been engaged in bullying behaviour, it should be made clear to him/her how he/she is in breach of the school's anti-bullying policy and efforts should be made to try to get him/her to see the situation from the perspective of the pupil being bullied;
- It must also be made clear to all involved (each set of pupils and parent(s)/guardian(s)) that in any situation where disciplinary sanctions are required, this is a private matter between the pupil being disciplined, his or her parent(s)/guardian(s) and the school;

Follow Up and Recording

- In determining whether a bullying case has been adequately and appropriately addressed the relevant teacher must, as part of his/her professional judgement, take the following factors into account:
 - Whether the bullying behaviour has ceased;
 - Whether any issues between the parties have been resolved as far as is practicable;

- Whether the relationships between the parties have been restored as far as is practicable;
- Any feedback received from the parties involved, their parent(s)/guardian(s)
- or the school Principal or Deputy Principal
- Follow-up meetings with the relevant parties involved should be arranged separately with a view to possibly bringing them together at a later date if the pupil who has been bullied is ready and agreeable.
- Where a parent(s)/guardian(s) is not satisfied that the school has dealt with a bullying case in accordance with these procedures, the parent(s)/guardian(s) must be referred, as appropriate, to the school's complaints procedures.
- In the event that a parent(s)/guardian(s) has exhausted the school's complaints procedures and is still not satisfied, the school must advise the parent(s)/guardian(s) of their right to make a complaint to the Ombudsman for Children.
- See Template – Appendix
- Teachers have a personal supply of templates.

Recording of Bullying Behaviour

Informal- pre-determination that bullying has occurred

- All staff must keep a written record of any incidents witnessed by them or notified to them. All incidents must be reported to the relevant teacher.

- **Pupils should understand that there are no innocent bystanders and that all incidents of bullying behaviour must be reported to a teacher.**

Appendix 1 Practical tips for building a positive school culture and climate

The following are some practical tips for immediate actions that can be taken to help build a positive school culture and climate and to help prevent and tackle bullying behaviour.

- Model respectful behaviour to all members of the school community at all times.
- Explicitly teach pupils what respectful language and respectful behaviour looks like, acts like, sounds like and feels like in class and around the school.
- Display key respect messages in classrooms, in assembly areas and around the school. Involve pupils in the development of these messages.
- Catch them being good - notice and acknowledge desired respectful behaviour by providing positive attention.
- Consistently tackle the use of discriminatory and derogatory language in the school – this includes homophobic and racist language and language that is belittling of pupils with a disability or SEN.
- Give constructive feedback to pupils when respectful behaviour and respectful language are absent.
- Have a system of encouragement and rewards to promote desired behaviour and compliance with the school rules and routines.
- Explicitly teach pupils about the appropriate use of social media.
- Positively encourage pupils to comply with the school rules on mobile phone and internet use. Follow up and follow through with pupils who ignore the rules.
- Actively involve parents and/or the Parents' Association in awareness raising campaigns around social media.
- Actively promote the right of every member of the school community to be safe and secure in school.
- Highlight and explicitly teach school rules in pupil friendly language in the classroom and in common areas.
- All staff can actively watch out for signs of bullying behaviour.
- Ensure there is adequate playground/school yard/outdoor supervision.
- School staff can get pupils to help them to identify bullying “hot spots” and “hot times” for bullying in the school.
 - Hot spots tend to be in the playground/school yard/outdoor areas, changing rooms, corridors and other areas of unstructured supervision.
 - Hot times again tend to be times where there is less structured supervision such as when pupils are in the playground/school yard or moving classrooms.
