

The magic book ♡ part 1

Once there was a girl and she had a big library and when she was on the ladder she got a magic book. The girl's name is Lily and Lily opened the magic book and when Lily looked inside and in the book was how to make pothos. Lily ran to her room and started to make

The magic book v part 2

pothins. She made ten pothins. five of the pothins were pothins of resistance and the other five were pothins of strant. After Lily made the pothins she went down to the mine when Lily came back from the mine she made diamond amor and emrod amor. Lily had a fight and when the fight was over Lily killed the mob and Lily won the V O
