### MindUp - The Optimistic Classroom

*Beidh na múinteoirí Scoil Bhríde ag freastal ar sheisiún oiliúna lán-laie i mí Lúnasa ar an gClár MindUp.* The teachers of Scoil Bhríde will attend a full-day training session in August on the MindUp Programme. MindUp is a comprehensive, classroom-tested, evidence-based curriculum framed around easily implemented lessons that foster social and emotional awareness, enhance psychological well-being, and promote academic success.

The MindUp classroom is an optimistic classroom that promotes and develops mindful attention to oneself and others, tolerance of differences, and the capacity of each member of the community to grow as a human being and a learner. MindUP's expansive dynamic is built to a large extent on routine practices that are inherent to the MindUp Curriculum. Over the course of the MindUp experience, students learn about the brain and how it functions, in the process gaining insight into their own minds and behaviours as well those of the people around them.

*Ag Scoil Bhríde, tugaimid luach láidir ar an tábhacht atá le folláine ár bpáistí a thacú. Comhlánóidh MindUp an clár Friends For Life a tionscnaíodh i mbliana R3 agus R5. Leanfaidh R3, 4, 5 agus 6 na bliana seo chugainn ar aghaidh ag obair ar Friends for Life mar chuid dá churaclam OSPS. Mar is gnách, cuirimid fáilte roimh do darfach leanúnach i dtaca lenár múinteoirí agus iad ag tacú le do leanaí. At Scoil Bhríde, we strongly value the importance of supporting the well-being of our children. MindUp will complement the Friends For Life programme that was initiated this year in R3 and R5. Next year's R3, 4, 5 and 6 will continue working on Friends For Life as part of their SPHE curriculum. As always, we welcome your continued positivity in supporting our teachers as they support your children.*

There are a number of clothes items left in the school. They can be found in a box in the front porch of the school, just outside the office. We remind parents to put your child's name on ALL items for the new school year. This guarantees their return.*
