Our final parents MindUp workshop will take place at 7pm on the 22nd of October. Breda will be going through the MindUp programme and is there to answer any questions you might have. She will also give practical tips on how to implement it at home too.

MindUP™ is a whole-school social and emotional learning programme, which aims to build resilience, reduce stress and anxiety and improve focus for learning. The programme is composed of 15 lessons, taught throughout the school year which complement the Irish primary SPHE and Science curricula with ample opportunity for cross curricular implementation across other subject areas. Through MindUP™ students learn about the neuroscience of their brain and the link between thoughts, emotions and behaviour and learn to self regulate through mindful practices. MindUP™ impacts positively on the whole school community and supports effective teaching and learning within a mindful school ethos. In addition to developing emotional regulation skills in children and supporting teacher self-care practices, research has shown that schools which implement a social and emotional learning programme see on average an 11% increase in academic achievement.

Update from Cairde Scoil Bhríde.
(Previously known as Scoil Bhríde Parents Association)

A chairde/ friends,

The Parents Association held its AGM on the 25th of September. The previous committee (February 4th - 1st July 2019) handed over the accounts and now a new committee has been formed.

Along with parents the meeting was attended by the school Principal, Deputy Principal and Diocesan Education Officer, P.J. Callanan.

There was a positive vibe on the night with mentions of family fun events, which we hope to organise during the year. We plan to start with a Halloween family fun night, which will take place next Thursday evening in the Áras @7pm. Doors open @6.30.

I plan to be your MC and quizmaster on the night, so if you don't know me to see, please introduce yourself during the course of the evening or afterwards. Your feedback and suggestions for the year ahead are welcomed.

AGM Update

Three main decisions were made on the night.

1. It was agreed that a name change was in order and suggestions were put forward and discussed. It was decided that we would re-name the Parents Association to 'Cairde Scoil Bhríde' meaning 'Friends of Scoil Bhríde'. This was agreed by all.

2. It was agreed that option 2 suited our school community best in regard parent nominations for the new Board of Management. This option entails a letter and consent form being sent home to all families. Parents will receive these after the mid-term break.

3. It was agreed that the proceeds of this years fundraisers would go towards ,

- Running costs of Cairde Scoil Bhríde
- Playwork's equipment for the school children
- Development of a sensory room for the school children.

We plan to update you regularly via the schools nuachtlitir/newsletter. We would like to thank you in advance for your support and hope you share your time with us during the year.
