## Notaí Pobail Scoile/School Community Notes

A thuisti

Táimid cinnte go raibh Cáisc deas ag gach duine agus go bhfuil sibh ullamh tosnú lena ranganna ar line arís. We hope everyone is doing well and that you are all ready to continue with our online learning. It seems that schools will remain closed for the next two weeks at least so we will continue with google classrooms until we reopen.

RTE/TG4 Ranganna /School Hub.

Tá RTE agus Cúla4 ag cur ranganna ar fail gach lá .Both RTE and Cula4 will run educational classes back to back every week day morning. These lesson are vibrant and cover a wide variety of subjects. Try to introduce the above programme s into your daily routine. In particular Cúla4 as it will help with our pupils with their gaeilge learning.

It is important to reach out if you need support or help, make contact with the class teacher via Gsuite. It is also important to reach out to each other. It is crucial that this change in learning methods does not become stressful and please avail of the school blog for extra alternative ideas .

We understand that every household is different and that this is no doubt a difficult time for everyone all over the country. However we ask that we try to stay focussed on doing our best over the next while. Try to cover as much of the work as possible assigned by the class teacher. However the main focus should be on keeping safe and healthy, minding ourselves and our loved ones.

We are doing a great job and should be proud of what we have achieved to date as a country. We suggest that you share your calm and strength with your children and we will keep you posted in regard any updates we receive from the Department of Education.

Tabhar aire,

Le meas,

Máire

### Classroom Tab

This is the Classroom Tab.

The work will be divided into subjects.

Under that will be the work assigned under each subject.

There is a menu to the left hand side which lists the subjects when I click on a heading I will see the work assigned under that subject.

## My Task:

I want to complete this task today about explanation writing.

 Explanation Writing (Three)

Posted 8:43 AM

Choose TWO of the following titles and write an explanation for each of them.

1. Why is the sky blue?
2. How does a light-bulb work
3. Why do we sneeze?
4. The Life Cycle of a butterfly
5. What makes fizzy drinks fizzy

Use the tips for writing a good explanation to support your work.  
Plan before writing.  
Use your dictionaries to check spellings.

It opens like this.

I will click on View Assignment to see the task in full.

Click on View Assignment.

## Due Apr 24 Explanation Writing (Three)

 Múinteoir Cairiona 8:43 AM

Choose TWO of the following titles and write an explanation for each of them.

1. Why is the sky blue?
2. How does a light-bulb work
3. Why do we sneeze?
4. The Life Cycle of a butterfly
5. What makes fizzy drinks fizzy

Use the tips for writing a good explanation to support your work.  
Plan before writing.  
Use your dictionaries to check spellings.

Your explanations can be typed or written in copies, whichever you prefer.

### Private comments

I can see the task that my múinteoir wants me to do today.

1. This is the PDF my teacher has added for hints and tips. I can click on this to download/read that information.
2. Is a place where I can add a comment which my classmates can see. I might have a question which they or my teacher can answer.
3. This is where I will submit my work. When I click on the button labelled: **+ Add or Create** I can create a document, a slide show (PowerPoint) or I can add a photo of my work in my copy/book.

When I click on the + **Add or Create** button. I see I have a lot of options.

I can add a file which means I can upload a picture/video/recording/doc/powerpoint of my work.

I can also create a document - a google doc/slide. This means I can type my answer straight away onto the doc and save it.

I want to create a doc, so I click on that. **Only you and your teacher can see and comment on your work.**

A doc was created for me (circle orange), so now I will click on this and type in my answer. (See below)

Again this is like your copy no one can see your document here.

When I am finished I want to send it back to my teacher.

I will click the Turn In button. Which is circled in orange below.

After I click Turn In I will be asked if I am sure. Which can be seen in the picture above.

Click Turn In

Then I will see that my work has been turned in (orange circle)

If I change my mind I can unsubmit, change my work and resubmit. (See green circle.)

I can also add a private comment to my teacher if I want to. (blue circle)

To view any comments or corrections that my teacher makes on this work, I will come back here to see those.

### Class comments

 Add class comment...

Again I log into my class. I go to classroom to see which tasks my teacher has set for me. Today I will do this Boggle task.

View Assignment

Click on the image

Look at the image and do the challenge in my copy.

I take a picture to send to my teacher and store it on my device.

I will call it Boggle answer

Similar to our last assignment. When I have a picture taken of my work. I go to +Add or Create (both images above)

### Insert files using Google Drive

I click on File

I look for the file/image on my device and click on it to upload it

I can see my jpg (see the image to the left) I will now click Upload (bottom of the picture).

Below I can see my work is ready to be turned in so I will click Turn In for my teacher to view.

# Returned work from your Múinteoir

To see any work returned by your teacher go back into the Classroom tab.

Under the subject heading you will notice that the work which has been returned by the class teacher has turned grey.

You need to open the assignment to see the comments. **Remember all of these comments and corrections are between you and your teacher**

### Boggle Challenge

No due date

Posted Apr 3 (Edited Apr 20) **Returned**

You'll need pencil and paper. Ask mom or dad to set a timer for 3 minutes and then write down as many words as you can find from the boggle on my desk. If there is only one 'a' then you can only have words with one 'a' in them, so, you can't use the same letter twice in the same word, unless there are two on the board. At the end, count all of the letters in all of your words, if you used the 'o' in a circle you get to count 2 points every time you used that letter. Post you total here later. Good Luck!
